HOBBIES

Problem solving, competitive programming, and exploring new software development technologies. I enjoy strengthening my DSA fundamentals and building practical projects that sharpen my technical skills.

Prashant Singh

ENGINEERING STUDENT

PROFESSIONAL SUMMARY

Second-year engineering student at VES Institute of Technology with a strong interest in Java programming and Data Structures & Algorithms. Passionate about problem solving and continuously improving through consistent coding practice. Currently focused on strengthening core programming concepts and building a solid foundation in software development.

EDUCATION

BTech, VES Institute of Technology (VESIT) Aug 2026 — Aug 2029
Chembur, Mumbai

PROJECTS

Personal Portfolio Website
HTML · CSS · JavaScript · GitHub Pages

- Developed a responsive personal portfolio website to showcase skills, learning journey, projects, and DSA progress.
- Implemented modern UI design with animations, smooth navigation, and responsive layouts.
- Deployed the website using GitHub Pages and managed version control using Git.
